NEWS RELEASE

September 28, 2004

PUKASKWA PROPERTY OPTION AGREEMENT

Windarra Minerals Ltd. (the “Company”) has entered into an agreement with Messina Minerals Inc. (“Messina”) whereby the Company can earn a 100% interest in Messina’s Pukaskwa Property in the Sault Ste Marie Mining District of northwestern Ontario.

Under the terms of the Agreement, the Company has been granted the option to acquire a 100% interest in the Pukaskwa Property and in consideration the Company is to issue 50,000 shares upon acceptance of the agreement by the TSX Venture Exchange and a further 300,000 shares over a period of 30 months from the acceptance date. The Company must maintain the Pukaskwa Property in good standing during the option period and is required to leave the Pukaskwa Property claims in good standing for a minimum of twelve months should the Company elect to terminate the Agreement.

The Pukaskwa Property, located in the Mishibishu greenstone belt approximately 60 kilometers west of Wawa Ontario, comprises 55 claim units located on a north-northeasterly trending deformation zone known to be associated with gold mineralization.

On behalf of the Board of Windarra Minerals Ltd.

“John Pallot”

President
