WINDARRA APPOINTS INVESTOR RELATIONS FIRM

Windarra Minerals Ltd. (“the Company”) announces that it has retained Renmark Financial Communications Inc. to provide investor relations services on behalf of the Company. Renmark is a full service investor relations firm, delivering corporate financial communications and investor relations to public companies traded on all North American Exchanges.

Services to be provided by Renmark include the dissemination of corporate information, preparation of mailouts and database management as well as assisting with presentations to shareholders and the investment community. These services will be provided to the Company for a period of six (6) months commencing on December 1, 2005 for a monthly fee of \$5,000 CDN, along with the reimbursement of all pre-approved expenses incurred by Renmark. The agreement is subject to the acceptance of the TSX Venture Exchange.

Windarra recently announced the discovery of outcropping high-grade gold mineralization during a second-phase prospecting program on the Pukaskwa property near Wawa, Ontario, (see press release dated July 25, 2005). The Pukaskwa property is located 50 kilometres west of Wawa, Ontario, 20 km northwest of River Gold Ltd.’s Eagle River Mine, which has produced approximately 600,000 ounces gold since 1995. It also lies 20 km west-southwest of the formerly producing Magnacon mine, and the Magnacon joint venture property, in which Windarra and its 72% held subsidiary, Westward Explorations Ltd. hold an interest jointly with River Gold. The Magnacon properties lie along the highly prospective east-northeast trending Mishibishu deformation zone, as does the Pukaskwa property, which consists of 55 contiguous unpatented mining claims which follow the deformation zone for more than 12 kilometres of strike length.

Windarra Minerals Ltd. can earn a 100% interest in the Pukaskwa Property from Messina Minerals Inc. by issuing 350,000 shares over a 30-month period and by maintaining the property in good standing during the option period.

On behalf of the Board of
Windarra Minerals Ltd.
