

PRESS RELEASE

**Windarra (WRA.V) Completes Purchase of 100% Interest
in Little Deer Lake Property**

Vancouver, B.C. – July 13, 2012:

Windarra Minerals Ltd. (the "Company") has completed the purchase of the remaining 30% interest in the 1,403 ha Little Deer Lake property from AREVA Resources Canada Inc. (as to 15%) and Cameco Corporation ("Cameco")(as to 15%) for \$15,000, giving it 100% ownership in the property (see press release of October 26, 2011 wherein the Company announced that it had increased its interest in the property to 70%).

The property lies within the southern La Ronge gold belt of northern Saskatchewan, approximately 60 kilometres north of the town of La Ronge, along Highway 102. It also lies next to the past-producing mine, which was owned by Cameco Corporation and Uranerz Exploration and Mining Limited. Windarra will be compiling the available historical exploration data for the property, in order to provide a basis for further evaluation.

On behalf of the Board of Directors

"John Pallot"

President
